

About Me

Hi, I'm Hammad Saeed, an enthusiastic IT student and passionate Web Developer. I love turning ideas into interactive digital experiences using modern technologies like HTML, CSS, JavaScript, Bootstrap and many more. With a strong foundation in computer science and a creative eye, I enjoy building clean, responsive, and user-friendly websites.

Hammad Saeed

Web-Developer

Education

(2019-2021)

Government Comprehensive High School
Matric in Computer Science

(2021-2023)

Punjab Group of Colleges
Intermediate in CS

(2023-2025)

University of Sialkot
ADP-IT

Experience

(2019-2022)

Basic IT & Networking Assistant

From 2019 to 2022, I gained basic experience in computer labs during my ICS and CS studies. I worked on small projects, practiced typing, used MS Office, and learned about computer hardware and networking basics.

(2023-2025)

Web Developer

Built 30+ frontend features and completed several complex development projects with clean, efficient code.
